

A Tuition Free School of Choice

Dear Sage Families and Friends,

The Governing Board would like to ask you, if you would consider financially supporting your children by re-directing your Arizona tax dollars. Your donation to Sage Academy gives you the power to elect where, the tax dollars you already pay, are directed. These dollars will be used to help Sage Academy students experience the best, most fun, well rounded education we can offer, by providing arts programs, extra curricular, and sporting programs, that might not otherwise be afforded due to budget constraints.

The Arizona School Tax Credit program is a simple process; if you're single, the maximum amount of your Arizona taxes that can be re-directed is up to \$200 and a married couple can re-direct up to \$400. This tax credit will reduce the amount of taxes, dollar for dollar, that you would have paid directly to the state in a given year.

Here's how simple it is:

1. Fill out the "Contribution Form"
2. Simply write a check to Sage Academy or you can use your debit/credit-card. This can be done as a one-time payment or smaller payments throughout the year. Contact the front office to see how easy auto payments can be set up.
3. Your check or debit/card transaction must be dated on or before December 31, 2010.
4. Apply the credit against your 2010 Arizona taxes (which will reduce the amount of Arizona State taxes owed, by the amount of your contribution.)

For your convenience we have attached a "Contribution Form". If you are uncertain as to whether this tax credit is beneficial for you, please consult your tax professional.

Furthermore, we want to thank each of you for your trust and support, we thank you for entrusting us with your children, for those who give of their time and for those who have helped with our various fundraisers.

If you have questions or ideas about our school, please do not hesitate to ask or share. Our desire is to provide your children with the very best education possible; for, it is here that the foundation for life is set.

Sincerely,

Ms. Debra Gasson
Director
